

Legacy Series

Personalized Vaults &
Urn Vaults

Honor your loved one
with a memorable cemetery service

The burial vault cover can be personalized in multiple ways with words, symbols, and images.

The vault cover is then displayed at the graveside and becomes a meaningful part of the final tribute to your loved one.

Three Design Options

Meaningful Image

Choose from our extensive image collection

Image & Personal Photo

This option offers an opportunity to cherish your loved one's memory with one personal photograph

Choose a personal photo

Next select favorite image

Design Your Own

Design your own unique vault cover with up to four personal photos, favorite quotations, team logos, and much more

For those who choose cremation, all three options are also available on Urn Vaults such as these.
